GERMAN WAR CRIMES IN THE MIDDLE EAST

File 5, 2000

Jerusalem (Israel), in Arabic to Israel and the Near East, Dec. 10, 1952.
CGIS EXC--H

[F 1315 - 10 Dec. 1952]

(Encrypted)

Yesterday the German ambassador to Cairo who is at present in Rome made a statement to the press in which he said that there is a difference between the part played by the German military advisers in certain Middle Eastern states and that played by a group of German Nazis working with Haj Amin al-Husayni, the former Mufti of Jerusalem.

The Ambassador added that the German military advisers do not interfere with political questions. They have no influence whatsoever in the relations between the Arab States and West Germany.

He concluded by saying: "The German Nazi group works with Haj Amin al-Husayni toward the deterioration of relations between the Arab States and West Germany, inciting disturbances, and spreading chaos in the states where they work."
